RE: OPEN FORUM ON CULTURAL AND EDUCATIONAL PROGRAMMING

The Concert and Lecture Series Committee invites all interested members of the campus community to an open forum to discuss the proposed reorganization of cultural and educational programming described below.

The forum will be on Thursday, January 27, at 12:30 p.m., in the Music Room on the second floor of the La Salle Union Building. Members of the Committee will attend to hear your comments on the proposal or alternative suggestions.

Thank you and we look forward to discussing your ideas and comments.

A FIRST DRAFT OF A PROPOSED REORGANIZATION OF CULTURAL AND EDUCATIONAL PROGRAMMING

1. Every semester, three academic departments will have the opportunity to sponsor a program. These programs must have a cultural or educational content but do not need to be directly connected to the discipline of the sponsoring department.
2. Each sponsoring department will have a budget of up to \$5,000 for its program.
3. A committee (possibly a renamed C&L Series Committee) will invite departments to sponsor and will review and approve program plans according to a set of to be determined criteria.
4. Although sponsoring departments will establish the time best suited to their purposes, encouragement will be given to programs outside the free periods.
5. Sponsoring department responsibilities will include selecting, inviting and negotiating program format with the guest or guests, local hospitality (e.g., transportation to and from campus, meals or social activities on campus, etc.), on-campus publicity and audience development.
6. Administrative responsibilities will include finances and formal contracts,

off-campus publicity, travel and accommodations, facilities arrangements, clerical assistance to the sponsoring department.

7. The Committee will have a reserve fund of \$5,000 to provide programming supplemental to that of the sponsoring departments during the academic year.

8. A second reserve fund (\$5,000) will be available to fund more *ad hoc* programming (unanticipated opportunities, programs within a department, special programs for a class, smaller scale programs in the free periods). An administrator would manage this fund, providing funds on an as-available basis to departments or individuals initiating program ideas.

Security and Safety Department

TO: La Salle University Community
FROM: Director of Security and Safety
SUBJECT: CAMPUS SECURITY

Our main goal is to provide a safe and secure environment for the campus community. As the Director of Security, I focus my attention on this issue.

We presently have 44 security officers, including supervisors that provide professional safety and security services to the University. It's a big job - 24 hours a day, seven days a week, 365 days per year, inside and out, on some 85 acres of campus area.

We also provide a campus shuttle bus service, and we encourage staff, faculty, and students to use our parking lots and escort service. La Salle University has state-of-the-art video surveillance cameras throughout the university. But the monitors are only effective if officers are watching them and available to respond.

As a proactive measure, I have proposed and have approval to initiate a bicycle patrol. Setting up a bicycle patrol will improve community/security relationships, improved response time to emergency calls, crime deterrent, and more visibility throughout the University. The bicycle patrol will be operational shortly.

In order to concentrate our resources on our primary responsibilities, it is necessary to curtail the use of security personnel for non-security functions and non-essential, off-campus transportation use (other than the established shuttle route and escort services). Every time we utilize the Security Officer for a non-security function, we have one Security Officer less for campus security.

Any incident or emergency that occurs on campus impacts on the University with negative publicity. As such, I wish to dedicate the Security Department to the campus area, and keep safety and security our number one priority. I am sure you all agree and I appreciate your assistance in this important endeavor. You can help by not requesting extraneous services of the Security Department.

Thank You,

Robert J. La Ratta

RE: Physical Fitness Recreational Facilities and New Year's Resolutions

If you're like many of us, by now you have broken many of those sacred promises (aka New Year's Resolutions) that you made to yourself. Again, if you're like many of us, at least a couple of those resolutions involved the promise of better eating habits or better patterns of regular exercise. (By the way, if you've been steadfast in your resolve and have sidestepped all of the temptations to break New Year's resolutions, Congratulations!)

Anyway, as it relates to fitness and wellness and nutrition, we would again like to invite you to become more physically active and to use the excellent on-campus facilities for your recreational work-outs. Regular hours of operation begin again in Hayman Hall and the James Binns Fitness Center on Tuesday, January 18th. Since we've had some questions regarding locations and hours of operation, please see the map below:

As I did once before, please also allow me to reintroduce the four people who are always available to answer your questions and/or to offer formal programming.

John Lyons	Aquatic Director and Swim Coach Hayman Hall - 1st Floor	Ext. 1520

Kathy DeAngelis	Assistant Director - James Binns Fitness Center Field Hockey Coach	Ext. 1556

Please don't hesitate to contact the above with your questions or concerns.
